 - The **Nnamdi Azikiwe University (Nigeria)**

"...we rise, by lifting others"

OVERVIEW OF THE ArOY HEALTH CAMPAIGN

- The **OCI Foundation's ArOY Health campaign** AIMS TO
- Introduce anti-breast and anti-cervical cancer teachings into:
 1. Into the **curriculum** of all senior secondary schools in Nigeria
 2. The **regular orientation activities** of all 36 NYSC camps in Nigeria + FCT
 3. Synergize both Campaigns: **Corps Members can Teach in Schools**
- As ways of fighting both **breast** and **cervical** cancers
- Using novel, evidence-based measures that are:
 - Realistic
 - Cost-effective
 - Impactful/Effective
 - Wide-reaching
 - Culturally acceptable, and
 - Sustainable.

OVERVIEW: ABOUT THIS COURSE 1

- The Program with the NYSC allows corps members to volunteer for the ArOY Campaign
- This Course enables those volunteers, in any part of Nigeria:
 - To undergo a training or capacity building
- The capacity built will allow them to promote the sensitization in any place:
 - Of their Primary Deployment: Schools, Banks, Government Institutions, Home
- Specifically, we expect the NYSC volunteers to get equipped with the tools to:
 - a) Easily sensitize people on anti-breast and cervical cancer techniques
 - b) Draw attention to the benefits and principles of the ArOY Campaign
 - c) Draw attention to the existence of the OCI CerviBreast App on Apple and Android devices
 - d) Become part of the teaching force in Senior Secondary Schools, once the ArOY Campaign becomes a part of the curriculum across Nigerian schools

OVERVIEW: ABOUT THIS COURSE 2

- This Course is 100% free to all Volunteers
- These trained staff can PROMOTE the program in any part of Nigeria
- Course can be completed at participant's convenience:
 - Once started, within 30 days
 - Can be finished earlier
 - Less than 4 hours if done at a stretch
 - Participant can log in and out at convenience
 - Completed lessons, quizzes and modules are automatically saved for participant
 - Any mobile phone with internet, or computer, can be used
 - Course can be assessed as:
 - a) PDF: Download and read offline, then return to complete the quizzes (this saves internet data)
 - b) Recorded videos
 - c) Embedded text (on the webpage)

OVERVIEW: ABOUT THIS COURSE 3

ON COURSE COMPLETION:

- An automated but personalised certificate will be issued at no cost to the NYSC staff
- All the three modules and their accompanying quizzes must be completed; PLUS
- A minimum pass score obtained for the FINAL QUIZ

THE CURRICULUM:

- The Curriculum was:
 - Developed with inputs of experts within and outside the OCI Foundation.
 - Designed to be easy, engaging, effective and sustainable

FEEDBACK:

- There are also provisions for feedback from the course participants
 - As the OCI Foundation is constantly seeking to improve.

ArOY CAMPAIGN BENEFITS TO CORPS MEMBERS

- Multiple benefits exist for the corps members themselves
- Particularly, if they undergo this training
- Detailed benefits are in Module 1, but an outline includes:
 - 1) **Personal Health Gains: For the corps members and their families or friends**
 - 2) **Financial Gains**
 - 3) **Prepares corps members to join the wider ArOY Campaign program in schools**
 - 1) **Gives corps members options for Community Development Service projects**
 - 2) **Improves the employability prospects of corps members**
 - 3) **Improves the chances of foreign recognitions**
 - 4) **Brightens the chances of corps members that may want to join the OCI Foundation.**

COURSE STRUCTURE

- As stated, a certificate will be issued (free of charge) if:
 - All the modules are completed, and
 - The minimum pass scores for the accompanying quizzes are attained.
- Each Module has accompanying lessons, videos and quizzes
 - The videos contain same information as the lesson texts (use either, or both)
- At the end of all 3 modules, is a final quiz. Here are the Modules:
 - **MODULE 1: INTRODUCTION, BENEFITS & SENSITIZATION STEPS/STRATEGIES**
 - **MODULE 2: TALKS ON CERVICAL AND BREAST CANCERS**
 - **MODULE 3: THE CERVIBREAST APP**
